

Can I Afford to Study Abroad?

Check with Financial Aid!

Fill out the attached form and submit to Mr. Kelly Young in EKU's Financial Aid Office.

This will give you an idea of what funds you currently have available based on this year's FASFA. However, remember that once you are accepted to a Study Abroad program and submit an updated "Cost Sheet," your budget and aid eligibility may change.

Scholarships

Once accepted to a Study Abroad program, there are several study abroad scholarships for which you can apply! Several scholarships you already receive may also be applicable to Study Abroad.

Fundraising Ideas

Fundraising will help to make your trip more affordable and serves as a way to educate the public.

- Birthday coming up? Request financial gifts or loans instead.
- Write a creative letter to all your relatives, asking for financial support in exchange for monthly letters or photos while abroad
- Ask friends to join you in raising money by painting, cleaning or washing cars.
- Organize an event where you and/or some friends solicit donations by providing instruction for a couple of hours (cooking, quilting, yoga, karate, computer skills, dancing, etc.).
- Ask your church, synagogue or temple to sponsor a special offering, dinner, or raffle and give the proceeds for study abroad.
- Sell coffee and baked goods with a sign stating your purpose.
- Ask family members to donate frequent flyer miles.
- Save all your spare change in a jar – small amounts can really add up!
